

PART - II

PROFILE OF **SAMPLE** **PROJECTS** **2008-09**

Name of the Project: Construction/Strengthening of Kachhi Firni from *Kot Bhattian* (Link Road) to Gala (Link Road)
Infrastructure : 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village <i>Kot Bhattian</i> , Block: <i>Bamial</i>
Cost of the Project:	Rs. 16.78 lakh
Implementing Department / Agency:	PWD, Construction Division, Pathankot
Brief description of Project:	Construction and strengthening of a 1.00 Km circular road around the village <i>Kot Bhattian</i> to <i>Gola</i>
Nature of benefits/Impact :	The strengthening of this circular road of 1.00 Km stretch between kot bhattian (with approx. 1000 population) and Gola link road has been undertaken. Earier it was a <i>kuchha</i> road which has now been improved into a metalled all weather road. It has benefitted villagers in agricultural marketing, commuting, etc.

Name of the Project: Construction of Community Hall
Social sector: 2008-09

Year of sanction: 2008-09

Sector / Activity Social

Location: Village: *Muthi*, Block: *Bamial*

Cost of the Project: Rs.5.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: Construction of a new community hall

Nature of benefits/Impact : A community hall has been constructed in village Muthi. The community hall is used by villagers to hold marriages and other community functions/programmes. The community hall is being maintained by gram panchayat.

Name of the Project: Construction of metaled approach road to school, Kabarstan and Cremation ground
Infrastructure sector (2008-09)

Year of sanction:	2008-09
Sector / Activity	Infrastructure sector
Location:	Village: <i>Mehma Chak</i> , Block: <i>Dera Baba Nanak</i>
Cost of the Project:	Rs.17.58 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	Construction of metaled approach road (2.00 Km) linking village <i>kilawali</i> to <i>mehma chak</i> .
Nature of benefits/Impact :	The construction of 2.00 Km metaled from village <i>Kilawali</i> to <i>Mehma Chak</i> linking villagers with school and <i>kabarstan</i> . The road construction has provided all-weather connectivity in between both the villages and has facilitated the villagers to commute to market centres, medical centres, block head quarter, etc..

Name of the Project: Construction of metalled road from DB Nanak –*Batala* Road to *Shikar Machhian, Ali Nangal* etc. and from *Nabipur* to *Rampur Patti*
Infrastructure sector (2008-09)

Year of sanction:	2008-09
Sector / Activity	Infrastructure sector
Location:	Village: <i>Ghuman</i> , Block: <i>Dera Baba Nanak</i>
Cost of the Project:	Rs.17.77 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	Construction of metalled 2.00 Km road linking <i>Ali Nangal & Nangal</i> with to main road.
Nature of benefits/Impact :	The construction of 2.00 km road from village habitat of <i>Nangal and Ali Nangal</i> (approx. 1000 population) to the main road (Nanak-Batala Road), thereby connecting with block headquarters. Small passenger-carrying vehicles can now ply because of the metalled road and facilitated people to commute to market centres, medical centres, block head quarter, etc

Name of the Project: Construction of new link road leading to cremation ground

Infrastructure sector (2008-09)

Year of sanction: 2008-09

Sector / Activity Infrastructure sector

Location: Village: *Palle Nangal* , Block: *Dera Baba Nanak*

Cost of the Project: Rs.13.56 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Gurdaspur

Brief description of Project: Construction of 1.00 Km metalled road from village *Palle Nangal* to cremation ground.

Nature of benefits/Impact : The construction of 1.00 km road from village habitat (approx. 800 population) to cremation ground has facilitated the connectivity of villagers from village to cremation ground which was tough earlier especially during rainy season.

Name of the Project: Construction of new metalled road around village
Infrastructure sector (2008-09)

Year of sanction: 2008-09

Sector / Activity Infrastructure sector

Location: Village: *Chaura*, Block: *Dera Baba Nanak*

Cost of the Project: Rs.9.48 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Gurdaspur

Brief description of Project: Construction of metalled road in village *chaura*.

Nature of benefits/Impact : A metalled road has been constructed in village *chaura* (approx.. 900 population) which has improved the connectivity of the villagers facilitated the movements of villagers. However, a part of road was found to be damaged due to poor drainage of water. A side drain would have protected the road form damage due to water flooding.

Name of the Project: Construction of link road in area of BOP Metla under 49 Bn BSF
Infrastructure sector (2008-09)

Year of sanction:	2008-09
Sector / Activity	Infrastructure sector
Location:	Village: <i>Metla</i> , Block: <i>Dera Baba Nanak</i>
Cost of the Project:	Rs.3.35 lakh
Implementing Department / Agency:	XEN, PWD, Provinsol Division, Gurdaspur
Brief description of Project:	Construction of link road from village <i>Metla</i> to Border Out Post 49 Bn BSF .
Nature of benefits/Impact :	A 10 feet wide village road of 1.0 km has been completed connecting <i>Metla</i> village to Border Out Post 49 Bn BSF (this road was constructed during 2007-08 under BADP) with assistance of Rs.9.79 lakh and some part was incomplete which was completed during 2008-09. The road has improved connectivity for BSF officials and for <i>Metla</i> villagers.

Name of the Project: Upgradation of road from Gurdaspur Behrampur road to village *Dala*
Infrastructure sector (2008-09)

Year of sanction:	2008-09
Sector / Activity	Infrastructure sector
Location:	Village: <i>Dala</i> , Block: <i>Dinanagar</i>
Cost of the Project:	Rs.40.00 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	Upgradation of village approach road of 1.00 Km from main road (5.5m wide)
Nature of benefits/Impact :	The existing road has been upgraded to metalled road of increased width of 5.5 meter. Retaining wall and side drain have also been provided. Though the road has benefitted the villagers but width of such roads is kept as 10 feet (3.05 m) in other areas but the same is 5.5. meter in this case which has increased the cost to Rs. 40 lakh. After village <i>Dala</i> the road reduces to 10 feet wide. It was gathered during field visit that an influential person has got constructed this road under NADP.

Name of the Project: Construction of Community Hall

Social sector: 2008-09

Year of sanction: 2008-09

Sector / Activity Social

Location: Village: *Issapur*, Block: *Dinanagar*

Cost of the Project: Rs.5.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: New construction of Community centre.

Nature of benefits/Impact : A new community centre has been constructed in the village. The approx.. 1000 populaiton of village *Issapur* has benefitted. Villagers are using the community centre for Marriages, village meetings and other such common purposes. Community hall is being maintained by Paychayat properly.

Name of the Project: Construction of Govt. School Building
Education sector 2008-09

Year of sanction: 2008-09

Sector / Activity Education

Location: Village: *Chakraja*, Block: *Dorangala*

Cost of the Project: Rs.5.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: New construction of classrooms of size 15'x 20'each & Verandah 9' wide,.

Nature of benefits/Impact : The new classrooms provided adequate space for conducting classes in the Primary School where about 35 students from class I to class V study.

Name of the Project: Construction of Govt. . S.S.. School Building
Education sector 2008-09

Year of sanction: 2008-09

Sector / Activity Education

Location: Village: *Gahlri* Block: *Dorangala*

Cost of the Project: Rs.15.00 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Gurdaspur

Brief description of Project: New construction of three classrooms of size 15'x 20'each & Verandah 9' wide,.

Nature of benefits/Impact : The new classrooms provided adequate space for conducting classes in the Sen. Sec. School. There are 900 students in the school which have benefitted by this infrastructure. Some of the old rooms have been declared unsafe for housing classes and the school was in dire need of extra rooms.

Name of the Project: Construction of link road of BOP *Chautanra* 71 Bn BSF
Infrastructure sector (2008-09)

Year of sanction:	2008-09
Sector / Activity	Infrastructure sector
Location:	Village: <i>Chautanra</i> , Block <i>Dorangala</i>
Cost of the Project:	Rs.7.65 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	New construction of approach road for village Chauntra to BOP71 Bn BSF
Nature of benefits/Impact :	A 10 feet wide metalled road has been constructed from Village Chauntra to Border Out Post of 71 Bn of BSF. Discussions with BSF officials revealed that road has helped the BSF in communiting and patrolling the border areas.

Name of the Project: Construction of Govt. School Building
Education sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Education
Location:	Village: <i>Talibpur</i> Block <i>Gurdaspur</i>
Cost of the Project:	Rs.5.00 lakh
Implementing Department / Agency:	Gram Panchayat
Brief description of Project:	New construction of 160 feet verandah and podium/stage of 20'X20' X for students assembly.
Nature of benefits/Impact :	The construction of verandah has been constructed along with the rooms which covers the doors and windows of the classrooms thus providing shelter from rain and sun. Verandah is also used for conducting classes. Students from nearby 8-9 villages (<i>Tibipur, Kothe, Sirtian, Karwal, Ladi, Rasulpur, Karwal, etc.</i> with population of approx. 10,000 study in this school.

Name of the Project: Construction of Building of Govt. . S.S.. School (Girls)
Education sector 2008-09

Year of sanction: 2008-09

Sector / Activity Education

Location: Village: *Babehali* Block *Gurdaspur*

Cost of the Project: Rs.5.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: New construction of two classrooms on first floor along with Verandah in girls school.

Nature of benefits/Impact : This was the only girls school in the nearby area since some time back. The new classrooms provided adequate space for conducting classes in the School in which about 205 students study. Students from nearby five villages Thanwali, Panda, Nava Pind, Bhabewali, Mutababad consisting of approx.. 5000 polulation have been benefitted. by this infrastructure. Staircase is without the grill/border which is risky for students.

Name of the Project: Construction of Building of Govt. Middle School
Education sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Education
Location:	Village: <i>Thanewal</i> Block <i>Gurdaspur</i>
Cost of the Project:	Rs.10.00 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	New construction of classroom of size 15'x 20' & Verandah 9' wide and boundary wall of the school.
Nature of benefits/Impact :	The new classroom provided adequate space for conducting classes in the Primary School where about 20 students from class I to class V study. The boundary wall facilitated to keep the stray animals out of school premises and prevents diversion of attention of students..

Name of the Project: Construction of Govt. School Building
Education sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Education
Location:	Village: <i>Hardo Bathwala (Bhatta Colony)</i> Block <i>Gurdaspur</i>
Cost of the Project:	Rs.5.00 lakh
Implementing Department / Agency:	Gram Panchayat
Brief description of Project:	New construction of two classroom along with and boundary wall.
Nature of benefits/Impact :	The new classrooms provided adequate space for conducting classes in the School where 128 students from class I to class V study. More than 700 people of this village have been benefitted in giving basic education to their children. These villagers are migrated people and are now settled in this village.

Name of the Project: Construction of Building of Govt. Primary School
Education sector 2008-09

Year of sanction: 2008-09

Sector / Activity Education

Location: Village: *Kotli Shahpur* Block *Gurdaspur*

Cost of the Project: Rs.5.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: New construction of classrooms of size 15'x 20'each & Verandah 9' wide,.

Nature of benefits/Impact : The new classrooms provided adequate space for conducting classes in the Anganwadi which is situated near the primary school of village. There are odd 20 students in the anganwadi centre.

Name of the Project: Construction of Civil Dispensary Building
Health sector 2008-09

Year of sanction: 2008-09

Sector / Activity Health

Location: Village: *Talwandi Virk* Block *Gurdaspur*

Cost of the Project: Rs.8.80 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Gurdaspur

Brief description of Project: Construction of building for public health centr,.

Nature of benefits/Impact : The construction of separate building for public heralth centre has benefitted six villages (*T. Virk, Raital, Navapind, Chawan, Behian, Sardara*) covering approx.. 5000 population. Daily on an average 10 to 15 patients are treated at the public health centre. The centre has been very useful for the villagers for day to day treatment.

Name of the Project: Construction of Community Centre
Social sector: 2008-09

Year of sanction: 2008-09

Sector / Activity Social

Location: Village: *Chandarbhan*, Block: *Gurdaspur*

Cost of the Project: Rs.7.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: New construction of Community Centre with two rooms and verandah.

Nature of benefits/Impact : A community centre has been constructed consisting two rooms along with verandah. One room is being used by villagers as milk collection center. Other room of the community center is being used as a gymnasium by village youths. Infrastructure created is useful for common village activities.

Name of the Project: Construction of Community Centre
Social sector: 2008-09

Year of sanction: 2008-09

Sector / Activity Social

Location: Village: *Chhina Bhet* Block: *Gurdaspur*

Cost of the Project: Rs.13.00 lakh

Implementing Department / Agency: Gram Panchayat

Brief description of Project: Construction of a Community Centre and verandah

Nature of benefits/Impact : The community center with a hall and veranda has been constructed. The community centre is being used by villagers of china bet for community meeting, functions and marriages. It has benefitted the 2500 population of the chine bet villagers. The asset is being well maintained by gram panchayat.

Name of the Project: Construction of approach road *Chandu Wadala* to *Dhidowal* & culverts & side drains

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Chandu Wadala</i> Block <i>Kalanaur</i>
Cost of the Project:	Rs. 16.45 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	Construction of metalled road from <i>Chandu Wadala</i> to <i>Didowal</i>
Nature of benefits/Impact :	The construction of 3.05 m wide metalled road improved the road connectivity from <i>Chandu Wadala</i> (800 population) to <i>Didowal</i> village (600 population) in the border area. It provided all-weather connectivity in between both the villages. Small passenger-carrying vehicles could ply because of the improvement of the road and facilitated people to commute to market centres, medical centres, block head quarter, etc.

Name of the Project: Construction of village road & Culverts
Infrastructure sector 2008-09

Year of sanction: 2008-09

Sector / Activity Infrastructure

Location: Village: *Sangatpur* Block *Kalanaur*

Cost of the Project: Rs.8.94 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Gurdaspur

Brief description of Project: Construction of metalled circular road around village

Nature of benefits/Impact : A circular road around village has been constructed along with a side drain. Earlier it was a *kuchha pavement* which used to lead to flooding and road blockage during rainy season.

Name of the Project: Construction of village road (east side) (0.35 KM) Hume pipe, culverts and side drain

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: Gunia Block <i>Kalanaur</i>
Cost of the Project:	Rs.8.28 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Gurdaspur
Brief description of Project:	Construction of village road of 0.35 KM, with two Hume pipe culverts with side drain.
Nature of benefits/Impact :	The metalled road improved the connectivity between the village Gunia and village hamlets thereby benefitting 700 polulation. Two hume pipe culvetrs have also been constructed for rainwater water passages to prevent the damage of road from water..

Name of the Project: Construction of link road from Main Road to Link Road Via Master Swaroop Singh House

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Bhikhariwal</i> , Block: <i>Kalanaur</i>
Cost of the Project:	Rs.0.77 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	Completion of balance work of construction of village link road of 0.30 KM.
Nature of benefits/Impact :	A 10 feet wide village road of 0.3 km has been completed (this road was constructed during 2007-08 under BADP) with assistance of Rs2.23 lakh. The road has improved connectivity for <i>Bhikhariwal</i> village and its hamlets.

Name of the Project: Link Road in area of BOP *Chandu Wadala* under 49 Bn BSF-0.35 Km

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Chandu Wadala</i> , Block: <i>Kalanaur</i>
Cost of the Project:	Rs.1.00 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	Construction of road from <i>Chandu Wadala</i> to BSF BOP Bn 49 measuring 0.35 Km .
Nature of benefits/Impact :	A 10 feet wide village road of 0.35 km has been constructed connecting village <i>Chandu Wadala</i> to Border Out Post of 49 Bn of BSF. Tthis road was constructed during 2007-08 under BADP with assistance of Rs. 3.45 lakh and balance work has been completed with assistance of Rs.1.0 lakh during 2008-09. The road has improved connectivity for BSF officials and villagers.

Name of the Project: Construction of G M S Rooms
Education sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Education
Location:	Village: <i>Basau Barwa</i> , Block: <i>Narot Jaimal Singh</i>
Cost of the Project:	Rs.2.13 lakh
Implementing Department / Agency:	Gram Panchayat
Brief description of Project:	New construction of classroom in the Girls Middle School
Nature of benefits/Impact :	<p>A 9 feet wide veranda has been constructed across the rooms instead of construction of rooms. Field functionaries informed that romms were already available but verandah was not there earlier and according to the requirement veranda has been constructed benefiting 200 students of the school . The verandah, a basic requirement, is providing the protection form sun and rain in front of the rooms.</p> <p>Name of work may be specific to work proposed while santioning, i.e in the present case the name of work should be construction of veranda in front of classrooms.</p>

Name of the Project: Construction of new Link Road from Begowal towards *Pakhochak* (0.8 Km)

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Pakhochak</i> , Block: <i>Narot Jaimal Singh</i>
Cost of the Project:	Rs.17.01 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	Construction of 0.8 Km road Begowal to Pakho Chak
Nature of benefits/Impact :	A 10 feet wide village road connecting village <i>Begowal</i> with 50000 population to <i>Pakho Chak</i> (with 2000 population) has been constructed. In addition to road, other structures like retaining wall, side drains, culverts have also been provided. The road has improved connectivity between the both the villages..

Name of the Project: Construction of new Link Road from *Bankaur* School to *Habit Pindi* (0.4 Km)

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Bankaur</i> , Block: <i>Narot Jaimal Singh</i>
Cost of the Project:	Rs.4.62 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	Construction of 0.4 Km link road from village <i>Bankaur</i> to <i>Habit Pindi</i>
Nature of benefits/Impact :	The metalled road of 0.4 Km has enhanced connectivity in the border area. It provided all-weather connectivity between village <i>bankaur</i> school to village <i>habit pindi</i> ((approx 3000 population). Small passenger-carrying vehicles could ply because of the metalled road and facilitated people to commute.

Name of the Project: Construction of new Link Road from *Phoolpur to Harijan Abadi* (0.26 Km)

Infrastructure sector 2008-09

Year of sanction:	2008-09
Sector / Activity	Infrastructure
Location:	Village: <i>Phoolpur</i> , Block: <i>Narot Jaimal Singh</i>
Cost of the Project:	Rs.6.24 lakh
Implementing Department / Agency:	XEN, PWD, Provinsal Division, Pathankot
Brief description of Project:	New Link road construction (0.26 Km) from <i>Phoolpur to Harijan Abadi</i> .
Nature of benefits/Impact :	This is a new link road of 0.26 Km between the <i>Harijan Abadi</i> (approx. population 700) with <i>Phoolpur</i> (300 population). This road has facilitated the connectivity of <i>harijan abadi with phoolpur</i> village settlement.

Name of the Project: Special repair to link road *Phoolpur to Nangal Farida* (1.0 Km)

Infrastructure sector 2008-09

Year of sanction: 2008-09

Sector / Activity Infrastructure

Location: Village: *Nangal Farida*, Block: *Narot Jaimal Singh*

Cost of the Project: Rs.6.79 lakh

Implementing Department / Agency: XEN, PWD, Provinsal Division, Pathankot

Brief description of Project: Road repair work of 1.00 Km from *Phoolpur* to *Nangal Farida*.

Nature of benefits/Impact : The road repair works for 1.00 Km road between village *phoolpur* (approx. 3000 population) to village *Nangal Farida* (with approx. 1800 population) has been undertaken during 2008-09. Side drains have also been constructed alongwith the road for safe disposal of water..
